

My Brothers,

Ladies and gentlemen I would like to say congratulations on a wonderful Section Seminars. We absolutely blew the Section's mind with everything from the food to the shows! By the end of the weekend I got 0 complaints and nothing but praise and compliments.

Also, we've got quite a bit planned for the next few months. But the most important event is Winter Fellowship, or you may know it as LOAC. For those of you who are new to our lodge, this is our super fun fellowship with really tasty food, great games, some prestigious training, and to top it all off, no service. It is absolutely one of my most anticipated events of the year. And with the games, we'll be working on getting our teams set up for Section Conference so if you want to play for our lodge, find Kyle Geary.

Along with all that, we've also got some healthy chapter competitions for you all, including the bulletin board, publications, and website competitions. And it would be a great honor to see all of our chapters compete. For not only is it nice to see the members of this lodge have a lot of fun, but it also helps us with the lodge competitions at Section Conference. I want to prove to everyone that Echockotee Lodge really is the Best-All-Around Lodge.

But getting back to the important stuff at hand. Including all of the great fun at Winter Fellowship, we have a very long tradition in the lodge. As a part of the fellowsip we will honor those arrowmen who have gone above and beyond the call of duty with the Vigil Honor. I cannot wait to see you all there my brothers, it will truly be a blast.

Yours in Wimachtendienk,
Alexander Williams
