Fall 2012

Attention All Arrowmen!

My Brothers,

This is to anyone who has not paid their dues yet for this year. At the last LEC it was voted to reduce this years dues to \$5.00. That's right; anyone who has not yet paid their dues can do so for only \$5.00 until December 31st. This is to encourage Lodge members to pay their dues so that we can meet the Gold requirements for Journey to Excellence. Help support Echockotee Lodge by spreading the news about this discount to your fellow brothers who have not yet paid their membership dues.

December Service Day

Hey Echockotee,

I would like to formally invite you to our lodge's December service day. It will be at our very own Camp Echockotee, that's right, Camp Echockotee starting at 8AM on December 1st. As always, we've got plenty of exciting service to do this weekend involving plenty of fixing up of our original camp. There'll be the usual brush moving, but you could also get involved in the various trail clearing and stump-grinding activities to really raise the quality of our camp. For a camp that bears our name, we really need to make it stand out because the many troops in the council have the opportunity to camp there and use the facilities. We need to make not only Camp Echockotee, but Echockotee Lodge shine. So I hope to see you out there on December 1st at 8 AM ready to do cheerful service and show your usual chapter spirit at our next chance to give back to our council and its various troops, packs, and crews.
