## Spring Service Day

Hello Echockotee,

I am so enthused with the service that was given to Shands last fellowship, from digging the trenches, to building a gate, our lodge gave an astronomical amount of service. I want to thank everyone for sticking with me as I implemented a new system for service. We have seen some drawbacks that need to be fixed but I believe our efficiency proved the foreman system worthwhile. So with that in mind I want to thank all of my foreman and would like to ask that any member that wants to be a foreman please reach out to me and get involved.

Next up is Spring Service Day on April 28th. I hope to see all of you there to give service to a camp we use so heavily.

Yours in Brotherhood,  
Bradley Hight, Echockotee Lodge Service Chairman

## Service Patches

If you are on the fence deciding whether to go to Service Day or not, we have some news for you. This year at service days there will be patches handed out to all who come and give their time. At Spring Service Day at Camp Shands people will receive a dangle and at Winter Service Day at St. Johns River Base people will receive a lodge flap. At the time of writing the design has not been chosen, but it will be a great, unique patch to add to you collection.
